Technical support

MỤC TIÊU NGHỀ NGHIỆP

I started working in development from 2011, I have 10+ years of experience working with javascript, HTML/CSS to deliver exceptional customer experiences. Adept in collaborating with UX and design teams to plan the technical writing and execution of functional specifications for websites and applications, finding solutions and improving performance. Passionate about delivering high quality Web Application and constantly learning new technologies. I am therefore currently looking for an opportunity to develop skills and progress career.
