

NGUYEN LE MINH KHOI

FRONT-END SPECIALIST - 10 YEARS EXPERIENCE

Career Objectives

I have been working in the Frontend field over 10 years of experience, specializing in ReactJS, Next.js, and TypeScript. Worked on large-scale projects in healthcare, audit, and edtech, collaborating with international clients (Korea, Norway). Passionate about performance optimization, UX/UI improvements, and mentoring junior developers.

I am currently seeking opportunities to apply expertise in frontend development while continuously learning new technologies.
