Birthday	06/01/1983
Nationality	Vietnamese
Marital status	Married
Gender	Male

Languages

Vietnamese	Native
English	Intermediate

Skills

Material UI NextJs ReactJS

Webpack Redux Toolkit Redux

Resolve Problem Teamwork

Enthusiasm NodeJS Typescript

Career Objectives

I have been working in the Frontend field over 10 years of experience, specializing in ReactJS, Next.js, and TypeScript. Worked on large-scale projects in healthcare, audit, and edtech, collaborating with international clients (Korea, Norway). Passionate about performance optimization, UX/UI improvements, and mentoring junior developers.

I am currently seeking opportunities to apply expertise in frontend development while continuously learning new technologies.
