

NGUYEN KHOI

FRONT-END SPECIALIST

10 YEARS EXPERIENCE

ABOUT ME

I began my development journey in 2011, I have 10+ years of experience in web application development, and I specialize in using JavaScript and HTML/CSS to deliver exceptional customer experiences. Adept in collaborating with UX and design teams to plan the technical writing and execution of functional specifications for websites and applications, problem-solving, and enhancing performance.

Passionate about delivering high quality web applications and constantly learning new technologies, eager to enhance my skills and advance professionally, I am currently seeking opportunities for growth and progress in my career.
